Historical Evolution of Sneakers

Origins and Early Development

The story of sneakers begins in the late 19th and early 20th centuries. The term "sneaker" is believed to have originated in the 1910s, owing to the quiet, stealthy nature of rubber-soled shoes compared to traditional leather footwear. The first notable shoes resembling modern sneakers were the Keds, introduced in 1916 by the U.S.-based company U.S. Rubber Company. These lightweight canvas shoes with rubber soles provided comfort and mobility, making them suitable for casual wear.

During the 1920s and 1930s, athletic footwear started to evolve with innovations aimed at improving performance. The introduction of vulcanized rubber and better cushioning materials enhanced durability and comfort, laying the groundwork for the sports-specific sneakers that followed.

The Origins of Casuals Football Fighting Fashion

The Birth of the Casuals Subculture

The late 1970s in the UK was a period marked by economic decline, rising unemployment, and social unrest. Football matches became arenas not just for sport but for displays of identity, rivalry,

and sometimes violence. This environment fostered the emergence of football hooliganism, where groups of supporters—often known as "firms"—clashed with rivals, police, and others.

Amidst this chaos, a subset of hooligans began to develop a distinct style—one that distinguished them from traditional supporters. These individuals, known as casuuls, aimed to avoid detection by police and rival groups, leading to the adoption of a "smart casual" look that combined football scarves, designer labels, and stylish streetwear.

Adoption of Fashion as a Form of Identity

Casuals used fashion as both armor and identification. Their clothing choices served multiple purposes:

- Camouflage during clashes—by blending in with urban environments.
- Display of allegiance—through club scarves, colors, and insignia.
- Stylistic differentiation—standing out from traditional supporters and hooligans.

This approach marked a shift from mere violence to a culture rooted in style, swagger, and social signaling.

The Elements of Casuals Football Fighting Fashion

Clothing and Style

Casuals adopted a distinctive style characterized by a mix of high-street fashion, sportswear, and designer labels. Key features included:

- **Football Scarves:** Worn prominently to showcase club loyalty, often combined with other accessories.
- **Track Jackets and Tops:** Brands like Adidas, Nike, and Puma were popular, especially their sportswear lines.
- **Footwear:** Trainers, especially brands like Nike Air Max, Adidas Originals, and Reebok Classic, signified both style and practicality.
- **Jeans and Trousers:** Slim-fit or straight-leg jeans, sometimes with subtle branding or embellishments.
- **Accessories:** Baseball caps, sunglasses, and sometimes luxury watches, adding an element of swagger.

The emphasis was on looking "smart casual" but ready for street action if needed.

Colors and Club Identity

Colors played a crucial role in casuals fashion:

- Primary colors associated with the club (e.g., red and white for Manchester United, blue and white for Chelsea).
- Incorporation of neutral and earthy tones to avoid standing out during clashes.
- Use of club scarves and banners as identifiers during matches and gatherings.

This visual language fostered a sense of unity and identity among supporters.

The Role of Fighting in Casuals Culture

Football Hooliganism and Its Link to Casuals

Fighting Techniques and Group Dynamics

The casuals' approach to fighting was often strategic and organized:

- Group formations and coordinated attacks.
- Use of weapons like bottles, sticks, or other makeshift items.
- Knowledge of police tactics and avoiding detection.

Their confrontations were sometimes intense and violent, but they also had codes of conduct and unwritten rules regarding violence.

The Evolution of Casuals Fashion and Culture

From Hooliganism to Streetwear Influence

By the late 1980s and early 1990s, the violent aspects of hooliganism started to decline, partly due to law enforcement crackdowns and societal changes. However, the fashion and style elements
