Potential Areas for Improvement and Criticism

Limited Volume of Texts

Depth of Literary Analysis

The concise nature might limit the depth of analysis available for each work. Advanced students or those seeking more comprehensive coverage might find the scope somewhat shallow.

Digital Integration and Multimedia Content

Although the edition includes references to multimedia resources, integrating more digital content, such as interactive exercises or online companion materials, could enhance engagement, especially in remote or hybrid learning environments.

Despite efforts toward diversity, some critics argue that non-Western literature remains underrepresented relative to Western canon. Expanding this aspect could provide a more global perspective.
