Creating an Action Word-Focused Play Environment

Transforming regular play into an action word adventure requires a bit of planning and creativity. Here are strategies to foster a wordwise, movement-rich environment.

Use Visual Aids and Signage

- At each station, have a list of action words that children practice aloud before performing the activity.

Engaging Children with Wordwise Action Games

Making learning active is most effective when children are motivated and engaged. Here are fun games that intertwine action words and movement seamlessly.
